Mailed:

In re application of
Jefferson G. Shingleton, et al.
Serial No. 10/796,582
Filed: August 05, 2004
For: MODULAR SHADE SYSTEM WITH SOLAR
TRACKING PANELS

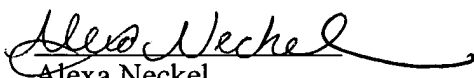

DECISION ON
PETITION

This is a response to the REQUEST TO CORRECT INVENTORSHIP UNDER RULE 37 CFR § 1.48
filed on May 21, 2009.

Petitioners request amendment of the inventorship to delete Elise R. Brewster. In support of the
petition, a request, signed by a party set forth in § 1.33(b), to correct the inventorship that identifies
the named inventor being deleted and acknowledges that the inventor's invention is no longer being
claimed in the nonprovisional application; and the processing fee set forth in § 1.17(i) have been filed.

A review of the record reveals that petitioner has complied with all the conditions in 37 CFR §
1.48(b). The petition is granted. A correct filing receipt naming the actual inventors of the
above-identified patent, namely, Jefferson G. Shingleton, Thomas L. Dinwoodie, and Gianluigi
Mascolo, is attached.

The Petition is **GRANTED**.
